

## Sports Premium Plan – Kemsley Primary Academy

2023/24

### Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sports.

### The Sports Premium funding has been provided to ensure impact against the following objective:

“To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding. “

As a school we allocate our sports premium with the aim of ensuring an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for developing pupils’ parents’ and staff’s mental health and wellbeing
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

During the academic year 2022-2023, the school received **£17,800**.

**During the academic year 2023-2024, the school received £16,760.**
